PROSPECTUS

From the Ex-Director's Desk

Late Arun Singh

(Former Director)

The Scholars Home

"The battle of Waterloo was won on the play grounds of Eton and Harrow", the Duke of Wellington said after defeating Napoleon.

It is school education, the formative stage of a child's career, that makes or mars his future prospect.

It is with his philosophical axiom that The Scholars Home was launched to bring about an integrated and holistic personality development in the child so that he can be suitably equipped to face challenges in life and scale new horizon of excellence.

Wishing you a happy and prosperous future.

Fifty glorious years is a life time gone by and in my own view, our founder mother Late. Smt. Krishna Devi Singh was simple and true. She wanted to provide a homely atmosphere in which a child could have holistic education not only learning subjects but developing their personality as a whole, discovering their hidden talents and realizing their dreams in life.

The main aim of the school is to give, "The Total Development in the Students"

So, development in the school ensures to provide an all round education, spiritual, moral, academic, physical, social & cultural domain to make its students intelligent and responsible citizen.

Our School has already been affiliated to CBSE, New Delhi upto (10+2) level in Commerce and Science subjects.

The vision of the school is to build a responsible younger generation with a healthy body and a well trained mind with good habits and accomplishments conducive to a full, purposeful and noble life to blossom into an integrated personality.
